

Custom made field and fish waders

NAME : _____ SURNAME : _____
ADDRESS : _____
CITY - POST COD: _____
PHONE NUMBER : _____ MAIL : _____

Please return this document scanned by email at : info@fieldandfish.com to us, taking care to complete all the informations requested.

This document will serve as a measurement sheet and therefore fill in the carefully and clearly. For the measurement sheet: the measurements must be taken in cm. Do not hesitate to contact us if you want more information.

You can see more details on our website www.fieldandfish.com with a video showing you the measurements.

The model and cut of the waders will be presented on the site.

The single color is grey. The price of custom-made waders, including shipping, is €599.

You can adjust them either on the site by credit card or bank transfer to EPHEMERA. The production of the waders will only be provided after receipt of the payment measurement sheet.

The production and delivery time will be approximately 8 weeks from the date of confirmation of your order (receipt of this completed document and deposit on order received) and the date of delivery to your home.
